# Hi! I'm Chris

It didn't take me long to realize that I wasn't very good at art.  
My experiences growing up proved to me that maybe I just  
wasn't a creative person. That is until I found web design.

Everyone has a degree of ideation that lies hidden, waiting to  
be released, and my job is to help you manifest that. I'd love  
to be a part of that journey.
